## Referral Program

Most families find us the old fashioned way... word of mouth!

We are certain you will find EduKids the best childcare facility in Western New York that you will want to tell your friends, neighbors and relatives how we assist working families!

In addition, we want to reward you for it through the "EduKids Family Referral Program".

**Here's how it works...**

**Refer a new full-time family to any EduKids Center & receive a \$200 TUITION CREDIT!**

When registering, the new family is required to put your name on their registration form on the line "How did you hear about EduKids?" or have them fill out the bottom of this form. You will receive a **\$200 tuition credit** for every full-time family (5 full days per week) or a \$100 tuition credit for a part-time family. You will receive your tuition credit four weeks after the new family starts!

So spread the word that **EDUKIDS IS THE BEST CHILDCARE CENTER IN WESTERN NEW YORK** and save some money too!!!

*Program valid for 30 days after new family registration. It does not include registrants to the before and after school programs, holiday or summer camps. The new family must be in good standing. If more than one family refers the same family, the tuition credit will be split at EduKids' discretion. Your name must appear on the registration form to be eligible. Children enrolled in Universal Pre-K or County Daycare Assistance Families (DSS) are not eligible for tuition credit. No credit will be issued for families registering at Rich's Family Center. This may not be combined with any other promotions. The tuition credit has no cash value and is non-refundable.*
